Angola Janga
Angola Janga is the story of a kingdom—or at least an independent settlement—founded by runaway slaves that managed to survive for over a hundred years in the jungles of 17th century Brazil.

Angola Janga: Kingdom of Runaway Slaves by **Marcelo d'Salete**
Angola Janga builds seamlessly on the earlier book, further exploring how a yearning for freedom combined with inhospitable local terrain encouraged countless slaves to head for the hills — and...

NPR Review: 'Angola Janga'

"Angola Janga" is a dense work — dialogue is minimal, D'Salete forgoes narration, and he doesn't employ any aesthetic device to distinguish between flashbacks and real-time. A glossary, maps, and...

Review: Brazil's sugar plantations were brutal — 'Angola ...
Founded in late sixteenth-century Brazil, Angola Janga was a beacon of freedom. For over a hundred years, this community of runaway slaves thrived in fierce opposition to the Dutch and Portuguese colonial powers.

Comics & Graphic Novels :: Graphic Novels :: Angola Janga ...
Angola Janga is a story of Palmares, as if D'Salete were pointing to the possibility of several Palmares. In fact, Palmares—that word in particular—rarely appears. It is as if there were both an Angola Janga—for the fugitives—and a Palmares. The two are not necessarily the same.

Marcelo D'Salete, Cumbé
Marcelo D'Salete, Angola Janga ...
Angola Janga is a dense work - dialogue is minimal, D'Salete abandon the narrative, and he does not use any aesthetic device to distinguish between memories and in real time. Glossary, maps and afterwords support our understanding of Palmares, while art is unequivocal in the communication of this story.

Book Marks reviews of Angola Janga: Kingdom of Runaway ...
Nganga Nzumbi (Portuguese pronunciation: [????? ?z/ʁ?]) was the first leader of the massive runaway slave settlement of Quilombo dos Palmares, or Angola Janga, in the present-day state of Alagoas, Brazil.Zumba was a slave who escaped bondage on a sugar plantation and eventually rose to the position of highest authority within the kingdom of Palmares, and the corresponding title of ...

An independent kingdom of runaway slaves founded in the late 16th century, Angola Janga was a beacon of freedom in a land plagued with oppression. In stark black ink and chiaroscuro panel compositions, D'Salete brings history to life; the painful stories of fugitive slaves on the run, the brutal raids by Portuguese colonists, and the tense power struggles within this precarious kingdom. At turns heartbreaking and empowering, Angola Janga sheds light on a long-overlooked moment of resistance against oppression.

Angola Janga, "pequena Angola" ou, como dizem os livros de história, Palmares. Por mais de cem anos, foi como um reino africano dentro da América do Sul. E, apesar do nome, não tão pequeno: Maceao, a capital de Angola Janga, tinha uma população equivalente a das maiores cidades brasileiras da época. Formada no fim do século XVI, em Pernambuco, a partir dos mocambos criados por fugitivos da escravidão, Angola Janga cresceu, organizou-se e resistiu aos ataques dos militares holandeses e das forças coloniais portuguesas. Tornou-se o grande alvo do ódio dos colonizadores e um símbolo de liberdade para os escravizados. Seu maior líder, Zumbi, virou lenda e inspirou a criação do Dia da Consciência Negra. Durante onze anos, Marcelo D'Salete, autor de Encruzilhada e do sucesso internacional Cumbé, pesquisou e preparou-se para contar a história dessa rebelião que tornou-se nação, referência maior da luta contra a opressão e o racismo no Brasil. O resultado é um épico no qual o destino do país é decidido em batalhas sangrentas, mas que demonstra a delicada flexibilidade da resistência às derrotas. Um grandioso romance histórico em quadrinhos que fala de Zumbi, e de vários outros personagens complexos como Ganga Zumba, Domingos Jorge Velho, Ganga Zona e diversos homens e mulheres que compõe o retrato de um momento definidor do Brasil.

Run For It ? a stunning graphic novel by internationally acclaimed illustrator Marcelo d’Salete ? is one of the first literary and artistic efforts to face up to Brazil’s hidden history of slavery. Originally published in Brazil ? where it was nominated for three of the country’s most prestigious comics awards ? Run For It has received rave reviews worldwide, including, in the U.S., The Huffington Post. These intense tales offer a tragic and gripping portrait of one of history’s darkest corners. It’s hard to look away.

Presents the story of how Latin American civilization emerged from the encounter of three great civilizations in the sixteenth century.

Colonial Latin America: A Documentary History is a sourcebook of primary texts and images intended for students and teachers as well as for scholars and general readers. The book centers upon people-people from different parts of the world who came together to form societies by chance and by design in the years after 1492. This text is designed to encourage a detailed exploration of the cultural development of colonial Latin America through a wide variety of documents and visual materials, most of which have been translated and presented originally for this collection. Colonial Latin America: A Documentary History is a revision of SR Books' popular Colonial Spanish America. The new edition welcomes a third co-editor and, most significantly, embraces Portuguese and Brazilian materials. Other fundamental changes include new documents from Spanish South America, the addition of some key color images, plus six reference maps, and a decision to concentrate entirely upon primary sources. The book is meant to enrich, not repeat, the work of existing texts on this period, and its use of primary sources to focus upon people makes it stand out from other books that have concentrated on the political and economic aspects. The book's illustrations and documents are accompanied by introductions which provide context and invite discussion. These sources feature social changes, puzzling developments, and the experience of living in Spanish and Portuguese American colonial societies. Religion and society are the integral themes of Colonial Latin America. Religion becomes the nexus for much of what has been treated as political, social, economic, and cultural history during this period. Society is just as inclusive, allowing students to meet a variety of individuals-not faceless social groups. While some familiar names and voices are included-conquerors, chroniclers, sculptors, and preachers-other, far less familiar points of view complement and complicate the better-known narratives of this history. In treating Iberia and America, before as well as after their meeting, apparent contradictions emerge as opportunities for understanding; different perspectives become prompts for wider discussion. Other themes include exploration and contact; religious and cultural changes; slavery and society; miscegenation, and the formation, consolidation, reform, and collapse of colonial institutions of government and the Church, as well as accompanying changes in economies and labor. This sourcebook allows students and teachers to consider the thoughts and actions of a wide range of people who were making choices and decisions, pursuing ideals, misperceiving each other, experiencing disenchantment, absorbing new pressures, breaking rules as well as following them, and employing strategies of survival which might involve both reconciliation and opposition. Colonial Latin America: A Documentary History has been assembled with teaching and class discussion in mind. The book will be an excellent tool for Latin American history survey courses and for seminars on the colonial period.

Luanda, Angola, 1990. Ndalu is a normal twelve-year old boy in an extraordinary time and place. Like his friends, he enjoys laughing at his teachers, avoiding homework and telling tall tales. But Ndalu's teachers are Cuban, his homework assignments include writing essays on the role of the workers and peasants, and the tall tales he and his friends tell are about a criminal gang called Empty Crate which specializes in attacking schools. Ndalu is mystified by the family servant, Comrade Antonio, who thinks that Angola worked better when it was a colony of Portugal, and by his Aunt Dada, who lives in Portugal and doesn't know what a ration card is. In a charming voice that is completely original, Good Morning Comrades tells the story of a group of friends who create a perfect childhood in a revolutionary socialist country fighting a bitter war. But the world is changing around these children, and like all childhood's Ndalu's cannot last. An internationally acclaimed novel, already published in half a dozen countries, Good Morning Comrades is an unforgettable work of fiction by one of Africa's most exciting young writers.

In a futuristic city, two mega-companies share power, while indulging in a thankless war to eliminate the other, by any means necessary. The crash of an extraterrestrial flying saucer will, perhaps, change that. This masterfully crafted, witty and irreverent graphic novel is Argentine cartoonist and graphic designer Lucas Varela's debut.

The past half-century has produced a mass of information regarding slave resistance, ranging from individual acts of disobedience to massive uprisings. Many of these acts of rebellion have been studied extensively, yet the ultimate goals of the insurgents remain open for discussion. Recently, several historians have suggested that slaves achieved their own freedom by resisting slavery, which counters the predominant argument that abolitionist pressure groups, parliamentarians, and the governmental and anti-governmental armies of the various slaveholding empires were the prime movers behind emancipation. Marques, one of the leading historians of slavery and abolition, argues that, in most cases, it is impossible to establish a direct relation between slaves' uprisings and the emancipation laws that would be approved in the western countries. Following this presentation, his arguments are taken up by a dozen of the most outstanding historians in this field. In a concluding chapter, Marques responds briefly to their comments and evaluates the degree to which they challenge or enhance his view.

Tom é um menino insatisfeito com sua aparência. Em razão disso, faz inúmeros questionamentos sobre o motivo pelo qual todos se parecem, usam os mesmos cabelos ou as roupas semelhantes. Preocupado com isso, ele tem uma ideia: tingir o cabelo com uma cor diferente. Essa interessante história, narrada ao leitor como a mudança e a diferença podem gerar surpresas bastante agradáveis e inusitadas.

This book considers the greatest film scores produced over a span of more than 80 years. Each entry includes background information about the film, biographical information about the composer, a concise analysis of the score, and a summary of the score's impact both within the film it accompanies, but also on cinematic history.
