UFS-20 Floorstands for Speakers - Bose

The stands are built solidly and look great with the speakers. The difference in sound quality after moving the speakers from a shelf to the stands was noticeable, not so much with movies, but wow with music. Particularly "big" music whether Queen, Bach or Green Day. These stands help Bose 301's shine!

All accessories were included, not only for the VI300 speakers, but there were other accessories for different speakers too. All in all, worth the extra cost over other speaker stands, like Sanus. Even though the Bose stands are not adjustable, the 38 inch height is perfect for my room configuration. Really nice looking and modern.
