with his death in Memphis in 1977, Careless Love chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-often mistold tale in a fresh, believable, and understandable context.

Careless Love: The Unmaking of Elvis Presley: Guralnick ...

Whereas that book covered Elvis's rise to fame and fortune from 1931-1958, "Careless Love: The Unmaking of Elvis Presley" covers the last 19 years of Elvis's life: 1958-1977. Its a long, sad story, and the good news is that the author leaves few stones unturned in his exploration of Elvis Presley's later years and decline.

man whose extraordinary vocal talent brought him unimagined success – success that prevented Elvis from maturing beyond adolescence. As recording sessions and live engagements become more and more farcical and Elvis' drug use becomes increasingly problematic, Guralnick shows an artist out of control who drives away his closest friends, cheapens his work and frequently rages at the very fans who love him unconditionally.

This enhanced edition includes: Exclusive video footage going further into Colonel Parker's role in Elvis's postwar career as well as the conservation efforts taken to maintain the Presley archive. Rare audio clips featuring audio engineer Billy Porter, musical director Billy Goldenberg, and bassist Jerry Schiff—all influential players in Elvis's post-war career.

From the author of the critically acclaimed Elvis Presley biography: Last Train to Memphis brings us the life of Sam Phillips, the visionary genius who singlehandedly steered the revolutionary path of Sun Records. The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley, Ike Turner, Howlin' Wolf, Jerry Lee Lewis, and Johnny Cash, introduced a sound that had never been heard before. He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring, once and for all, a new, integrated musical day. With extensive interviews and firsthand personal observations extending over a 25-year period with Phillips, along with wide-ranging interviews with nearly all the legendary Sun Records artists, Guralnick gives us an ardent, unrestrained portrait of an American original as compelling in his own right as Mark Twain, Walt Whitman, or Thomas Edison.

By the bestselling author of Sam Phillips: The Man Who Invented Rock ' n ' Roll and Last Train the Memphis: The Rise of Elvis Presley, this dazzling new book of profiles is a culmination of Peter

Online Library Careless Love The Unmaking Of Elvis Presley Peter Guralnick

Guralnick's remarkable work, which from the start has encompassed the full sweep of blues, gospel, country, and rock 'n' roll. It covers old ground from new perspectives, offering deeply felt, masterful, and strikingly personal portraits of creative artists, both musicians and writers, at the height of their powers. "You put the book down feeling that its sweep is vast, that you have read of giants who walked among us," rock critic Lester Bangs wrote of Guralnick's earlier work in words that could just as easily be applied to this new one. And yet, for all of the encomiums that Guralnick's books have earned for their remarkable insights and depth of feeling, *Looking to Get Lost* is his most personal book yet. For readers who have grown up on Guralnick's unique vision of the vast sweep of the American musical landscape, who have imbibed his loving and lively portraits and biographies of such titanic figures as Elvis Presley, Sam Cooke, and Sam Phillips, there are multiple surprises and delights here, carrying on and extending all the themes, fascinations, and passions of his groundbreaking earlier work. One of NPR's Best Books of 2020 One of Kirkus Review/Rolling Stone's Top Music Books of 2020 One of No Depression's Best Books of 2020

One of the most influential singers and songwriters of all time, Sam Cooke was among the first to blend gospel music and secular themes--the early foundation of soul music. He was the opposite of Elvis: a black performer who appealed to white audiences, who wrote his own songs, who controlled his own business destiny. No biography has previously been written that fully captures Sam Cooke's accomplishments, the importance of his contribution to American music, the drama that accompanied his rise in the early days of the civil rights movement, and the mystery that surrounds his death. Bestselling author Peter Guralnick tells this moving and significant story, from Cooke's childhood as a choirboy to an adulthood when he was anything but. With appearances by Martin Luther King Jr., Malcolm X, James Brown, Harry Belafonte, Aretha Franklin, Fidel Castro, The Beatles, Sonny and Cher, Bob Dylan, and other central figures of this

Online Library Careless Love The Unmaking Of Elvis Presley Peter Guralnick

explosive era, DREAM BOOGIE is a compelling depiction of one man striving to achieve his vision despite all obstacles--and an epic portrait of America during the turbulent and hopeful 1950s and 1960s. The triumph of the book is the vividness with which Peter Guralnick conveys the astonishing richness of the black America of this era--the drama, force, and feeling of the story. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

A woman in the audience once handed Elvis a crown saying, “ You ’ re the King. ” “ No, honey, ” Elvis replied. “ There is only one king — Jesus Christ. I ’ m just a singer. ” Gary Tillery presents a coherent view of Elvis ’ s thoughts through such anecdotes and other recorded facts. We learn, for instance, that Elvis read thousands of books on religion; that his crisis over making bimbo movies like Girl Happy led him to writers such as Gurdjieff, Krishnamurti, and Helena Blavatsky; and that, while driving in Arizona, an epiphany he had inspired him to learn Hindu practice. Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people. And so he did. Elvis ’ s excesses were as legendary as his generosity, yet, despite his lethal reliance on drugs, he remained ever spiritually curious. When he died, he was reading A Scientific Search for the Face of Jesus. This intimate, objective portrait inspires new admiration for the flawed but exceptional man who said, “ All I want is to know and experience God. I ’ m a searcher, that ’ s what I ’ m all about. ”
