It is truly written as a "Conversation with God". It explains simply yet so powerfully the daily readings of the Mass - Sunday to Monday, including feast days - and how these are interpreted and relevant to our daily lives, thinking, behaviours and relationship with God, family and friends. I highly recommend it.

In Conversation with God by Francisco Fernández-Carvajal

Conversations with God is a sequence of books written by Neale Donald Walsch. It was written as a dialogue in which Walsch asks questions and God answers. The first book of the Conversations with God series, Conversations with God, Book 1: An Uncommon Dialogue, was published in 1995 and became a publishing phenomenon, staying on The New York Times Best Sellers List for 137 weeks. The succeeding volumes in the ten book series also appeared prominently on the List. In an interview with Larry King,

"This is a translation of Hablar con Dios ... first published ... by Ediciones Palabra, Madrid, and ... by Scepter."

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

The dialogue expands . . . When Neale Donald Walsch was experiencing one of the lowest points of his life, he decided to write a letter to God. What he did not expect was a response, with extraordinary answers covering all aspects of human existence - from happiness to money, to faith. The resulting book, Conversations with God, was an instant bestseller on publication in 1995 and has since sold millions of copies world-wide, changing countless lives everywhere. Conversations with God: Book 3 is the third volume of the original Conversations with God trilogy that takes us even further in our questioning and search for answers, dealing with universal truths of the highest order and the challenges and opportunities of the soul. This incredible series contains answers that will change you, your life and the way you view others. Also by Neale Donald Walsch and available from Hodder & Stoughton: Conversations with God, Books 2 and 3, Communion with God, Friendship with God, Applications for Living and Meditations from Conversations with God, Book 1.

We're in Trouble. But There Is Help . . . If We Listen. In the middle of the night on August 2, 2016, Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions: Is the human race being offered help by Highly Evolved Beings from Another Dimension? Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead? He was told that the answer to both questions is yes. Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans do--and how adopting even a few of those behaviors could change the course of world history for the better forever. That information makes up the body of this work. A striking invitation to every reader sets the stage for the extraordinary explorations that follow. Picking up where Book 3 in the Conversations with God Trilogy series left off, the revelations about Highly Evolved Beings and about how ordinary humans can answer the call to help awaken the species on Earth will breathtakingly expand your view of both your personal and your collective future. Which is exactly what the dialogue was intended to do.

God's number one message to the world: "You've got me all wrong." Inspired by his nine-book Conversations with God series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in What God Said encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his Conversations with God, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Discover the answers to the questions of God, meaning, and existence. This is the final book of the original three-book Conversations with God series. The series deals with "universal truths of the highest order, and the challenges and opportunities of the soul." In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that's about to take place. This is an engaging and profound conversation about the culture, philosophy, and spirituality of highly evolved beings (some of whom we call "aliens," or "ETs") in other realms of the universe, and how they have learned to view life, love, and the pursuit of happiness. CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy.

Soon after the first Conversations with God book was published in May 1995, demand began for tools that would assist parents in teaching the marvelous concepts of this extraordinary dialogue to children. Readers wanted to share with their offspring what CwG had shared with them. "If only I have been introduced to these ways of seeing God and myself when I was 8 or 9, my whole life would have been different" were the words Neale Donald Walsch heard in letter after letter and conversation after conversation. This book is an outgrowth of the School of New Spirituality program. In it, Walsch has joined with Laurie Lankins Farley and Emily A. Fillmore, the directors of the school, to put into one place all the spiritual concepts of a home schooling curriculum. This book makes available for parents not only the tools for teaching CwG's concepts, but a narrative summary of the concepts themselves, to help aid in their home schooling efforts, and help them to use the other tools created by the school with maximum effectiveness. Each chapter is presented in two parts: (1) A narrative for parents that includes background information and interpretative commentary on the spiritual concepts being explored; and (2) Tools with which parents may effectively share these concepts with their children. Together they form a powerful guide for the spiritual teachers of the 21st century,

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.
