The third volume--the book that made Knausgaard a phenomenon in the United States--in the addictive New York Times bestselling series A family of four--mother, father, and two boys--move to the south coast of Norway, to a new house on a newly developed site. It is the early 1970s and the family's trajectory is upwardly mobile: the future seems limitless. In painstaking, sometimes self-lacerating detail, Karl Ove Knausgaard paints a world familiar to anyone who can recall the intensity and novelty of childhood experience, one in which children and adults lead parallel lives that never meet. Perhaps the most Proustian in the series, My Struggle: Book 3 gives us Knausgaard's vivid, technicolor recollections of childhood, his emerging self-understanding, and the multilayered nature of time's passing, memory, and existence.

An exhilarating story of ambition, joy and failure in early manhood from the international phenomenon, Karl Ove Knausgaard. \* Karl Ove Knausgaard's dazzling new novel, The Morning Star, is available to pre-order now \* As the youngest student to be admitted to Bergen's prestigious Writing Academy, Karl Ove arrives full of excitement and writerly aspirations. Soon though, he is stripped of his youthful illusions. His writing is revealed to be puerile and clichéd, and his social efforts are a dismal failure. He drowns his shame in drink and rock music. Then, little by little, things begin to change. He falls in love, gives up writing and the beginnings of an adult life take shape. That is, until his self-destructive binges and the irresistible lure of the writer's struggle pull him back. 'Breathtaking... Knausgaard has a rare talent for making everyday life seem fascinating' The Times

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

The extraordinary final volume of 'the most significant literary enterprise of our times' (Guardian) *The End* is the sixth and final book in the monumental *My Struggle* cycle, which depicts life in all its shades, from moments of great drama to seemingly trivial everyday details. Here, Karl Ove Knausgaard examines life, death, love and literature with unsparing rigour and begins to count the cost of his project. He reflects on the fallout from the earlier books as he faces the pressures of literary acclaim and its often shattering repercussions. *The End* is at once a meditation on writing and its relationship with reality, and an account of a writer's relationship with himself - his ambitions, his frailties and doubts.

The second book in the *Why I Write* series provides generous insight into the creative process of the award-winning Norwegian novelist Karl Ove Knausgaard. "Why I Write" may prove to be the most difficult question Karl Ove Knausgaard has struggled to answer yet it is central to the project of one of the most influential writers working today. To write, for the Norwegian artist, is to resist easy thinking and preconceived notions that inhibit awareness of our lives. Knausgaard writes to "erode [his] own notions about the world. . . . It is one thing to know something, another to write about it." The key to enhanced living is the ability to hit upon something inadvertently, to regard it from a position of defenselessness and unknowing. *Inadvertent* is a cogent and accessible guide to the creative process of one of our most prolific and ingenious artists.

Two world-class writers reveal themselves to be the ultimate soccer fans in these collected letters. Karl Ove Knausgaard is sitting at home in Skåne with his wife, four small children, and dog. He is watching soccer on TV and falls asleep in front of the set. He likes 0-0 draws, cigarettes, coffee, and Argentina. Fredrik Ekelund is away, in Brazil, where he plays soccer on the beach and watches matches with others. Ekelund loves games that end up 4-3 and teams that play beautiful soccer. He likes caipirinhas and Brazil. *Home and Away* is an unusual soccer book, in which the two authors use soccer and the World Cup in Brazil as the arena for reflections on life and death, art and politics, class and literature. What does it mean to be at home in a globalized world? This exchange of letters opens up new vistas and gives us stories from the lives of two creative writers. We get under their skin and gain insight into their relationships with modern times and soccer's place in their lives, the significance the game has for people in general, and the question Was this the best soccer championship ever?

My Struggle: Book 4 finds an eighteen-year-old Karl Ove Knausgaard in a tiny fishing village in northern Norway, where he has been hired as a schoolteacher and is living on his own for the first time. When the ferocious winter takes hold, Karl Ove--in the company of the Håfjord locals, a warm and earthy group who have spent their lives working, drinking, and joking together in close quarters--confronts private demons, reels from humiliations, and is elated by small victories. We are immersed, along with Karl Ove, in this world--sometimes claustrophobic, sometimes serenely beautiful--where memories and physical obsessions burn throughout the endless Arctic winter. In Book 4, Karl Ove must weigh the realities of his new life as a writer against everything he had believed it would be.

Med sjätte delen avslutar Karl Ove Knausgård sin episka autofiktiva roman Min kamp. På ett helt igenom självutlämnande sätt har han blottställt ambitioner och svagheter, osäkerhet och tvivel och inifrån skildrat sina relationer till fru och barn, mor och far, vänner och bekanta. Det är en roman i vilken livet skildras i alla sina nyanser, från de avgörande och upprivande ögonblicken till vardagslivets tillsynes obetydliga detaljer. Min kamp är också ett högriskprojekt där gränsen mellan det privata och offentliga överskridits, vilket under arbetets gång gett tydliga återverkningar både för författaren själv och för hans närstående. I den avslutande delen får vi följa verkets fullbordan: den kontroversiella utgivningen av de tidigare delarna, pressen att förmå slutföra arbetet samt inte minst en studie i litteraturen och dess förhållande till verkligheten. Min kamp 1-6 är en av de senaste årens mest uppmärksammade romaner. Runt om i världen har den väckt frågor om vad som är litteratur och vad som är privat, och flera inflytelserika kritiker har hyllat den som en av vår tids stora läsoplevelser. "Med storartad berättarkraft återskapar Knausgård ett liv, en generation, en epok." Carl-Henning Wijkmark

In the sixteenth century, Antinous Bellori, a boy of eleven, is lost in a dark forest and stumbles upon two glowing beings, one carrying a spear, the other a flaming torch ... This event is decisive in Bellori's life, and he thereafter devotes himself to the pursuit and study of angels, the intermediaries of the divine. Beginning in the Garden of Eden and soaring through to the present, A Time for Everything reimagines pivotal encounters between humans and angels: the glow of the cherubim watching over Eden; the profound love between Cain and Abel despite their differences; Lot's shame in Sodom; Noah's isolation before the flood; Ezekiel tied to his bed, prophesying ferociously; the death of Christ; and the emergence of sensual, mischievous cherubs in the seventeenth century. Alighting upon these dramatic scenes – from the Bible and beyond – Knausgaard's imagination takes flight: the result

is a dazzling display of storytelling at its majestic, spellbinding best. Incorporating and challenging tradition, legend, and the Apocrypha, these penetrating glimpses hazard chilling questions: can the nature of the divine undergo change, and can the immortal perish?
