The international bestselling story collection. "Truth and beauty are here brought together with all the visual beauty and power of a major literary work" (Lire Magazine, France). A cast of extravagant and affecting characters lovingly portrayed by Eric-Emmanuel Schmitt animates these eight contemporary fables about people in search of happiness. One of Europe's most popular and bestselling authors, Eric-Emmanuel Schmitt captivates the reader with his spirited style and enchanting stories that move effortlessly from the everyday to the fantastical. The eight stories in this collection, his first to be published in English, represent his best and most imaginative storylines: from the touching and surprising love story between Balthazar, a wealthy author, and Odette, a shop clerk, to the tale of a barefooted princess; from the moving title story about a group of female prisoners in a Soviet gulag to the entertaining portrait of a perennially disgruntled perfectionist. Behind each story lies a simple, if elusive, truth: though we may be frequently blind to it, happiness is often right in front of our eyes.

Eric-Emmanuel Schmitt is the author of three luminous collections of short stories published by Europa Editions, including the bestselling Most Beautiful Book in the World, and the novel, Three Women in a Mirror. The questions at the center of all of these delightful works is the same: What is happiness and how do we attain it? In this latest collection, two young lovers secretly adore the child they can never have; an esteemed physician and survivor of the Nazi concentration camps finds inner peace thanks to the love of a faithful dog; a man loves his wife through the memories of her first husband; and a mother rediscovers love for her child when someone tries to take that child from her. And finally, Séverine and Benjamin understand that they have lost the love of their lives when they see themselves through the eyes of a young terminally ill girl. Love is not easy, and not always easy to find; at times, it is obliged to circumvent social norms and thus transform them; it must be desired, sought, defended. We cannot know what life has in store for us, but we do know that whatever it is, it will only be meaningful if borne on the wings of love. Schmitt's sublime stories remind us how true this is.

From one of the world's biggest selling authors comes another million-copy worldwide bestseller: A beautiful and tender fable seen through the eyes of a Jewish child living in Belgium under the Nazi occupation. It is 1942 and the Jews are being deported from Belgium. Separated from his parents, seven-year-old Joseph must go into hiding. He is taken in the dead of night to an orphanage, the Villa Jaune, where the benign and enigmatic Father Pons presides over a motley assortment of children. With the ever-present threat of the Gestapo growing closer, Joseph learns that the secret of survival is to conceal his Jewish heritage. Soon Joseph also discovers that Father Pons has a secret of his own: he is risking his life not only for the boys in his care, but for the Jewish faith itself. Sensitive, funny and deeply humane, Noah's Child is a simple fable that reveals the complexities of faith, bravery and the human condition.

Stories from the bestselling author of The Most Beautiful Book in the World, "a prodigious storyteller with a style both elegant and assured" (Les Echos). In this collection's opening story, a woman with more skeletons in the closet than most falls in love with a parish priest, to whom she confesses her sins. But her motives and her intentions are anything but honorable or pious. The title story is the tale of two friends and rivals whose differences will at first lead to a terrifying and near fatal accident, and then to a vendetta lasting a lifetime. In "The Return," while away at sea, a father is told that one of his four daughters has died but not which. He will ask himself the question no father should have to ask: which child would he want dead? His long ruminations will lead him to a realization of his failings as a man and a father and ultimately toward a touching transformation. "Love at the Elysée Palace" is as fine a short story as any in contemporary literature, and one that treats the themes of love, marriage, and forgiveness with superb delicacy and remarkable tenderness. In this vivid collection, Schmitt writes about regret and redemption, about the roles of love and memory in our lives, all with a lightness and compassion that is as rare as it is inspiring. "A wonderful book of remarkable everyday heroes who will haunt readers for a long time to come." —L'Express "A small masterpiece." —Le Parisien

A collection of eight stories from the French playwright and novelist feature a variety of interesting women characters.

Unlock the more straightforward side of Mr. Ibrahim and the Flowers of the Koran with this concise and insightful summary and analysis! This engaging summary presents an analysis of Mr. Ibrahim and the Flowers of the Koran by Eric-Emmanuel Schmitt, a moral tale of self-discovery and maturity. It tells the story of Momo, a young boy, who sets out on a quest to find happiness with the help and teachings of his old friend, Mr. Ibrahim. The novel was later adapted for film, with the actor portraying Mr. Ibrahim winning a César Award for Best Actor. Schmitt's plays have been performed in over fifty countries around the world, as well as being translated into forty languages, showing the influence his writings have had on modern literature. See the very best of literature in a whole new light with BrightSummaries.com!

"A miraculous book in praise of women, in praise of both their shortcomings and their strengths" from the internationally bestselling author (l'Express). Anne, Hanna, and Anny. Three young women, free spirits all, each one at odds with the age in which they live. Despite the centuries that divide them, their stories intersect—a surprising narrative technique that lends increasing tension and richness to this novel, which builds to a thrilling crescendo of unexpected revelations. Anne lives in Flanders in the sixteenth century. She's a mystic who talks with animals like Saint Francis; she finds God in nature and cannot understand the need for religious rituals. Yet her ideas run against the temper of the times and result in her being branded a heretic, with tragic consequences. Hanna lives in Vienna at the start of the twentieth century. She is a young noblewoman, dissatisfied with bourgeois conventions, who will find a method for uncovering the roots of her malaise in a new cure developed by a Viennese doctor by the name of Sigmund Freud. Anny is a Hollywood star of the 2000s, addicted to celebrity and to variety of illicit substances. Both her curse and her solace, acting will give her the key to an open a new chapter in her life where she will find love, companionship, and the meaning she has been searching for. "Schmitt writes movingly about three women, divided by time and distance, whose lives connect when they attempt to break free of expectations imposed by society . . . Schmitt's three complex stories are beautifully translated and masterfully written." —Kirkus Reviews (starred review)

The Carousel of Desire is a sexual and romantic saga told with a master storyteller's feel for character and plot and a philosopher's abiding preoccupation with what makes life truly worthwhile. With tenderness and infectious delight, Schmitt tells an exuberant tale about class and community and about the vastness of human experience. Schmitt's love of coincidence and serendipity is surpassed only by his affection for his flawed, all-too-human characters: Zachary Bidermann, the powerful European Union commissioner; Faustina, the fashionable book publicist; François-Maxime de Couvigne, the happily married banker with more than a few secrets; Marcelle, enamored with a handsome illegal immigrant; Miss Beauvert, who makes love with her parrot, Copernicus. These and many more unforgettable characters animate this story of simmering desire and the antics of the mischievous and playful god, Eros.

In his new collection of stories, Eric-Emmanuel Schmitt, author of The Most Beautiful Book in the World, probes the paradox that the events that shape our lives are often the stuff of dreams, yet nonetheless true. Humor, tenderness, irony and exquisite writing have always been the hallmarks of Schmitt's work. Here, he adds a pinch of philosophy. In one story, a lovelorn writer seeks refuge in Ostende, a remote and charming town on the North Sea. His host is a solitary and eccentric octogenarian. The fairy-tale setting starts to work its magic and the old woman begins to tell her tale—an extraordinary story of passion. Bewitched by what he hears, the writer can no longer distinguish what is real from what is not, and in the woman's account he will finally find a response to his own deep-seated grief. Here, as in the other stories in this collection, Schmitt displays the combination of stylishness and insight into the human condition that prompted Kirkus Reviews to write of his tales that they "echo Maupassant's with their lean narratives, surprise endings, mordant humor and psychological acuity." An exceptional collection by one of Europe's most beloved authors.

Ibrahim offers Momo his ear and advice, and gradually teaches the precocious boy that there is more to life than whores and stealing groceries. When Momo's father, a passive-aggressive lawyer who neglects his son's well being, disappears and is found dead, Ibrahim adopts the newly orphaned boy.
