For introductory courses in Financial Accounting taught from a more traditional "preparer" approach. Financial Accounting, 8e helps students "nail" the accounting cycle! Financial Accounting helps students "nail" the accounting cycle up front in order to increase success and retention later on. The concepts and mechanics students learn in the critical 'accounting cycle' chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, minimizing confusion. MyAccountingLab, the text's online homework system, then provides students with a personalized learning environment that tests and strengthens their skills and understanding through unlimited practice. Together, Financial Accounting 8e and MyAccountingLab will help students have more of those "I Get It!" moments. A solid enhancement to already solid fundamentals, the eighth edition now features new co-author Bill Thomas of Baylor University who brings his expertise on auditing, ethics, and internal controls to key sections of the book.

Guns. Acid. Cameras. School. The themes behind the controversial Hellblazer: Shoot by Warren Ellis and Phil Jimenez merge with the attitude of the Grant Morrison and Philip Bond masterpiece of teenage revolt, Kill Your Boyfriend, deliver a story of magic, passion, and disinformation. Wild Children: A different type of education.

Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and

outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab ® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

For Principle of Accounting Courses (Sole Proprietorship). The trusted choice for "I Get It!" moments! With its tried-and-true framework and respected author team, Horngren/Harrison/Oliver's Accounting—when combined with MyAccountingLab—is the trusted choice for instructors and students of Principles of Accounting. The ninth edition preserves the classic, solid foundation of the previous editions, while also including a modern and fresh teaching approach that helps students understand the complexities of accounting, giving them more "I Get It!" moments.

An audience-centered approach to public speaking Public Speaking: An Audience-Centered Approach brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public speaking is the foundation of the text, and it guides students through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between the classroom and the real world. MyCommunicationLab is an integral part of the Beebe/Beebe program. MyCommunicationLab is an integral part of the Beebe/Beebe program. With extensive opportunities for the application of course content, MyCommunicationLab helps students become better speakers and master key public speaking concepts. Interactive videos provide students with the opportunity to watch and evaluate sample speeches. Online self-assessments and pre- and post-tests help students assess their comfort level with public speaking and their knowledge of the material. MediaShare allows students to post speeches and share them with classmates and instructors. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that
