(Artist Transcriptions). Another folio of spectacular improvisations by one of the great piano masters of the century. Includes: All the Things You Are \* Caravan \* Cherokee (Indian Love Song) \* In a Sentimental Mood \* Stormy Weather (Keeps Rainin' All the Time) \* Tenderly.

Art Tatum defined the limits of the possible in jazz piano. Gunther Schuller called Tatum's playing "a marvel of perfection.... His deep-in-the-keys full piano sonority, the tone and touch control in pyrotechnical passages...are miracles of performance." Whitney Balliett wrote "no pianist has ever hit notes more beautifully. Each one—no matter how fast the tempo—was light and complete and resonant, like the letters on a finely printed page." His famous runs have been compared to the arc left against the night sky by a Fourth-of-July sparkler. And to have heard him play, one musician said, "was as awe-inspiring as to have seen the Grand Canyon or Halley's Comet." Now, in Too Marvelous For Words, James Lester provides the first full-length biography of the greatest virtuoso performer in the history of jazz. Before this volume, little was known about Tatum, even among jazz aficionados. What were his origins, who taught him and who provided early pianistic influences, how did he break into the jazz field, what role did he play in the development of other jazz players, and what was he like when he wasn't playing? To answer these questions, Lester has conducted almost a hundred interviews for this book, with surviving family, childhood friends, schoolteachers, and the famous jazz musicians who played with him or knew him. Lester creates a memorable portrait of this unique musician and of the vibrant jazz world of the 1930s and 1940s, capturing the complexity and vitality of this remarkable performer. Tatum, who was virtually blind, suffering between 70% and 90% visual impairment, emerges as cheerful, fun-loving, energetic and out-going, with none of the demonic self-destructiveness that seemed to haunt such jazz greats as Charlie Parker or Billie Holiday. He often joked about his blindness, but did not like it mentioned as a handicap and preferred to pre-plan his entrance to the piano in a club, rather than have someone lead him there. He was simply inexhaustible and had a life-long habit of staying up all night after a gig, usually seeking an after-hours club in which to listen and play until daybreak. Lester also reveals that Tatum was generous with younger players, but his extraordinary technical brilliance often devastated them. No less a talent than Oscar Peterson remembers that after first hearing Tatum, "I gave up the piano for two solid months, and I had crying fits at night." And Les Paul remarked that after hearing Tatum for the first time, he quit piano completely and began playing guitar. Perhaps most important, Lester provides a thorough, knowledgeable discussion of Tatum's music, from his early influences, such as stride pianist Fats Waller, to his mature style in which Liszt, Rachmaninoff, Debussy, Waller, and Earl Hines all became grist for his harmonic mill. From unexceptional origins in Toledo, Ohio, Art Tatum evolved into a world-class musician whose importance in jazz is comparable to Louis Armstrong and Charlie Parker and whose command of the piano captured the admiration of Horowitz and Paderewski. Too Marvelous For Words is the first full portrait of this extraordinary musical genius.

(Artist Transcriptions). This fabulous songbook features note-for-note transcriptions of pianist supreme Art Tatum's interpretations of 15 jazz standards: After You've Gone \* Ain't Misbehavin' \* Aunt Hagar's Blues \* Blue Skies \* Body and Soul \* Cocktails for Two \* Honeysuckle Rose \* How High the Moon \* Jitterbug Waltz \* The Man I Love \* St. Louis Blues \* Sweet Lorraine \* Tea for Two \* Tiger Rag (Hold That Tiger) \* Willow Weep for Me.

In this book, Ricardo Scivales, author of Harlem Stride Pianos, has not only transcribed the right hand devices legendary jazz pianist Art Tatum used on his most famous recordings, but has broken them down, explained how they are formed, turned them into drills, and shown us the easiest fingerings for them. Titles: After You've Gone \* Esquire Bounce \* I Got Rhythm \* Indiana \* Knockin' Myself Out \* Moonglow \* Mop Mop \* Rock Me Mamma \* St. Louis Blues \* Sweet Georgia Brown.

The story of the first roughly half century of jazz is really the story of some of the greatest musicians of all time. Scott Joplin, Glenn Miller, Louis Armstrong, Fats Waller, Duke Ellington, Count Basie, Benny Goodman, Billie Holiday, and Ella Fitzgerald all made tremendous contributions, influencing countless jazz musicians and singers. This work provides biographical sketches of the aforementioned artists and many others who made jazz so popular in the first half of the twentieth century. Biographies cover the pioneers of jazz in New Orleans in the late 1890s and early 1900s; the soloists who fueled the Jazz Age in the 1920s; the musicians and bandleaders of the big band and swing era of the late 1920s and early 1930s; and icons from the height of jazz ' s popularity on through the end of the war. A discography is provided for each artist.

Handy resource for jazz listeners and hardcore fans. Spanning players from eighty years of history, this bold book steps forward and claims who are the greatest. Compiled from an extensive survey conducted with the best jazz minds in the education, publishing and entertainment worlds, noted jazz journalist Gene Rizzo summarized the chosen and presents a concise bio on the essence of these jazz giants. Choices were made on the basis of chops, originality, creativity, and degree of influence. This book will either confirm some readers' opinions or open debate with others, but ultimately the book provides an impressive summary of the greatest jazz piano players of all time. A photo accompanies each listing \* Landmark recordings are listed \* Extra lists include the next twenty to be selected, the top women players and an alphabetical list of all the other players considered

(Piano Solo Songbook). Exciting solo piano arrangements with chord names of 23 beloved Duke Ellington songs, including: C-Jam Blues \* Caravan \* Come Sunday \* Dancers in Love \* Do Nothin' Till You Hear from Me \* Don't Get Around Much Anymore \* I Got It Bad and That Ain't Good \* I Let a Song Go Out of My Heart \* I'm Beginning to See the Light \* I'm Just a Lucky So and So \* In a Mellow Tone \* In a Sentimental Mood \* It Don't Mean a Thing (If It Ain't Got That Swing) \* Just Squeeze Me (But Don't Tease Me) \* Love You Madly \* Mood Indigo \* Perdido \* Prelude to a Kiss \* Satin Doll \* Solitude \* Sophisticated Lady \* Take the "A" Train \* Things Ain't What They Used to Be.

(Jazz Transcriptions). The ultimate collection for jazz keyboardists to learn 40 Evans classics with exact note-for-note transcriptions. Offers glimpses into the lives of such performers as Duke Ellington and Charles Mingus, and constitutes a history of jazz in America

From its beginning, jazz has presented a contradictory social world: jazz musicians have worked diligently to erase old boundaries, but they have just as resolutely constructed new ones. David Ake's vibrant and original book considers the diverse musics and related identities that jazz communities have shaped over the course of the twentieth century, exploring the many ways in which jazz musicians and audiences experience and understand themselves, their music, their communities, and the world at large. Writing as a professional pianist and composer, the author looks at evolving meanings, values, and ideals—as well as the sounds—that musicians, audiences, and critics carry to and from the various activities they call jazz. Among the compelling topics he discusses is the "visuality" of music: the relationship between performance demeanor and musical meaning. Focusing on pianists Bill Evans and Keith Jarrett, Ake investigates the ways in which musicians' postures and attitudes influence perceptions of them as profound and serious artists. In another essay, Ake examines the musical values and ideals promulgated by college jazz education programs through a consideration of saxophonist John Coltrane. He also discusses the concept of the jazz "standard" in the 1990s and the differing sense of tradition implied in recent recordings by Wynton Marsalis and Bill Frisell. Jazz Cultures shows how jazz history has not consisted simply of a smoothly evolving series of musical styles, but rather an array of individuals and communities engaging with disparate—and oftentimes conflicting—actions, ideals, and attitudes.
