The Ultimate Book of Card Games for Families by Oliver Ho

This is NOT a family card game book. It's a collection of card games gathered from around the world with extremely complicated rules and special cards or decks or point systems. Many of them the author has already designated as HARD. About half of them are betting games which is against several religions and inappropriate for children.

It is home to many classic stainless steel models, as well as newer retro diners. This handy book is a complete guide that will take travelers through heavy concentrations of diners in New York City, the Catskills, and the Hudson Valley to the more sparse regions in the western part of the state, pointing out what makes each one unique.
